

## VOLUNTEER HOUSE

The Volunteer House is situated at a central place in Quito with close Access to public transportation. Up to 9 volunteers can live in the volunteer house sharing two bathrooms, one kitchen and a living room. 3 single rooms and 3 double rooms are available. The volunteer house is organized by an Ecuadorian family. The family lives on the 2<sup>nd</sup> floor while the volunteers have the 3<sup>rd</sup> floor for themselves. For those choosing the half-board option, meals are served at the families flat. Below you can see some picture of the accommodation:
