

PROOF OF STUDENT STATUS

J1 Visa regulations require that participants applying for an internship must be currently enrolled in and pursuing studies at a degree level or certificate granting post-secondary academic institution outside the United States; or must have graduated from such school within 12 months of the start of their internship.

Post-secondary education is education that is completed above and beyond the high school or secondary school level. Post-secondary education is not compulsory, begins after secondary school has already been completed, and usually culminates in the awarding of a degree, certificate, or diploma, It can be vocational, academic, or technical.

If the applicant has already graduated, a copy of the certificate or diploma must be included.
